## Local Real Estate Agents Named in RE/MAX's Top 5 Teams for Connecticut

**STORRS, CT – Tom and Elaine Burns** have been ranked in RE/MAX's Top 5 Teams for sales in the state of Connecticut for January through September 2005. The husband and wife team have previously earned placement in RE/MAX's Top 25 Teams in New England and are currently in the midst of their best sales-year to date.

"We're thrilled with the announcement," said Elaine Burns. "It's great to be recognized for the hard work we do. The real treat, though, is getting to work with all of the clients we have had the opportunity to help move into or sell a property this year."

In addition to their professional success keeping them busy, The Burns Team actively supports several local charities. They sponsored the Windham Area Relay for Life that was held October 15<sup>th</sup> & 16<sup>th</sup>, benefiting the American Cancer Society. This year's event raised over \$190,000.

The same weekend, The Burns Team also were co-sponsors of the Brain Injury Association of Connecticut's First Annual Walk for Thought. Despite the rainy weather on the day of the walk, BIAC raised over \$67,000 through the inaugural event.

Elaine Burns serves as Vice President of the Board of Directors for the Brain Injury Association of Connecticut and is a member of the Board of Connecticut Health Charities.
