RE/MAX East of the River

FOR IMMEDIATE RELEASE

Press Release

Local Real Estate Agents in RE/MAX's Top 1% in New England

STORRS, CT – The Burns Team, Tom & Elaine Burns, are in the top 1% of RE/MAX agents for sales in New England for January through June 2006. They recently were invited to participate in a regional retreat for the agency where they were recognized for sales achievement for the first six months of 2006.

"It was a wonderful gathering of the top agents throughout New England," said Elaine Burns.

"Tom and I are excited that we're able to provide our clients with the best real estate services possible, which in turn, affords us the opportunity to attend seminars like this one where we hone our skills. Being invited to participate in this conference for top producers reinforces and reinvigorates our commitment to our clientèle. We want to thank all our current and past clients for their continued support and are grateful to have the opportunity to be of help to them."

The last 18 months has seen continuous progress for the real estate team that now includes son Matt. In addition to their professional success keeping them busy, The Burns Team actively supports several local charities, including the Windham Area Relay for Life, Board of Connecticut Health Charities, and the Brain Injury Association of Connecticut, of which Mrs. Burns is President of the Board of Directors.

The Burns Team will be working with their son, Ryan Cornell, to bring further visibility and support for all brain injury survivors and look forward to volunteering at the Brain Injury Association of Connecticut's Second Annual "Walk for Thought" on Saturday, October 21.
