## RE/MAX Conference Attendance, Awards for Local Agents

**STORRS, CT – Tom and Elaine Burns** recently returned from the national RE/MAX convention in Las Vegas where in addition to attending extensive training seminars, the husband & wife real estate team were honored with a pair of national awards for sales achievement in 2007.

“We feel even more prepared to tackle this still-changing market since returning from the conference,” said Elaine Burns. “It’s always exciting to learn from & brainstorm with other top agents from around the country. Any chance to hone our negotiating skills & marketing tools for our clients is extremely important to us. Tom & I value the relationships we’ve built over the years with our customers, and by attending training seminars, we’re able to better serve the needs of our clients. ”

For recognition of their career earnings with RE/MAX, The Burns Real Estate Team were recipients of the Hall of Fame award. The Chairmans Club award, recognizing sales production in a single year, was the other RE/MAX honor the duo brought back with them. These are the latest additions to their numerous awards and Top 5 Connecticut & Top 25 New England Teams rankings for RE/MAX during the pair’s prestigious career with the franchise.

“Our top priority is always our clients. Delivering superior services resulted in us enjoying our most successful year yet in real estate,” continued Mrs. Burns. “We’re committed to meet & exceed our clients’ expectations. Conference attendance is another tool that allows us to do just that.”

With baseball season here, The Burns Real Estate Team is returning as sponsor of Mansfield's little league major's team, The Burns Team, for which their grandson, Alex Cornell, is first baseman. The Burns Team also actively supports several local charities, including the Windham Area Relay for Life, Board of Connecticut Health Charities, and the Brain Injury Association of Connecticut, of which Mrs. Burns is President for the Board of Directors.
