Local Agents Honored by RE/MAX of New England

STORRS, CT – Tom and Elaine Burns received their 2007 Chairman's & Hall of Fame Awards in Boston, MA on March 28, 2008. Jay Hummer, Regional Director & Vice President of RE/MAX of New England, presented the award to the husband & wife real estate team.

"We're ecstatic that our commitment to serving our clients' needs in the current market climate is proving profitable for everyone," said Elaine Burns. "Attaining another regional honor is exciting, as our continuing success in this challenging market indicates our marketing efforts and negotiating skills for our clients are working."

April has proven a busy month for The Burns Real Estate Team. In addition to the RE/MAX of New England honors, the team has attended two seminars about short sales and participated in the Realtors at the Capitol meeting to advocate removal of additional transfer tax for home owners.

The Burns Real Estate Team's commitment to their community is further reflected in their on-going support of several local & national organizations, including the Susan G. Komen Foundation, Children's Miracle Network, Board of Connecticut Health Charities, the Brain Injury Association of Connecticut, and Windham Area Relay for Life. Proud supporters of Mansfield Little League, The Burns Real Estate team are also returning as sponsors of their grandson's majors team.
