Local Real Estate Experts Host Free Event for Investors on October 22nd

STORRS MANSFIELD, CT (October, 2008) – The Burns Real Estate Group | Keller Williams will be hosting a free seminar about investment opportunities in the current real estate market. Tom and Elaine Burns and a team of trusted advisors will show you how to turn a profit every month with real estate investments. The Burns Real Estate Group will be joined by real estate Attorney Jeffrey Walsh, CPA Aaron Johnson and Louise Fontaine, mortgage specialist from JP Morgan Chase, to discuss real investment issues. Topics include what purchase price is necessary to purchase a single family, 2-family or 3-family property versus rental income needed in order to make the numbers viable. Investors need to know what the real costs are and what will make them successful and profitable both now and in the future.

The investor seminar will be held on Wednesday, October 22nd from 6 PM to 8 PM at The Burns Real Estate Group's new office located at 1066 Storrs Road, Suite B in Storrs Mansfield. Refreshments will be served.

“When properly invested, current equity can bring in three times as much income,” said Tom Burns. “You can earn rental income and save on taxes with real estate investments. Timing

is of the essence – this is the perfect investor market with many 'buying' opportunities that will help build future equity and wealth for savvy investors.”
