Foodshare & Windham Food Bank Drive

Local Real Estate Agents Invite Community to Donate November 20th & 21st

STORRS MANSFIELD, CT (November, 2008) – The Burns Real Estate Group | Keller Williams will be hosting a Food Drive Open House at their office from 2 to 5 PM on Thursday, November 20th and Friday, November 21st. The event is being held to increase donations to the Foodshare & Windham Food Bank's pantries.

“We are fortunate to have enjoyed a bountiful 2008,” said Tom Burns. “Not everyone has been so lucky. We want to make sure those in need during this holiday season want for a little less. People can stop by our offices on the Thursday & Friday before Thanksgiving to help us support Foodshare and the Windham Food Bank's efforts to help our community. While all non-perishable foods are welcome, holiday dinner items – turkey, stuffing, gravy and instant or canned potatoes – would be particularly appreciated. After dropping off their food items, we hope everyone can join us for hot cider & cookies.”

The Burns Real Estate Group supports several local & national organizations including the Brain Injury Association of Connecticut, The Children’s Miracle Network and Board of Connecticut Health Charities. They have a strong commitment for helping children and families in need in the local community and throughout the state. The Burns Real Estate Group is dedicated to making their clients a partner by helping them recognize opportunities and

overcome challenges in the market through real estate education outreach programs.
